### **Greater Texas Services announces scholarships to support students at Texas HBCUs**

Greater Texas Services is proud to commit \$1.5 million in scholarship funding to nine Historically Black Colleges and Universities (HBCUs) across Texas. The funds will support student retention and graduation and eligible students can use the scholarships for tuition, fees, housing, and other educational expenses.

“HBCUs play an important role in serving the students of Texas,” said GTS President Dr. Terry Jones. “Greater Texas Services wants to help these schools achieve their educational mission by investing critical funding for student scholarships.”

Nine Texas HBCUs are eligible for scholarships as part of this funding, including:

Texas Southern University  
Huston-Tillotson University  
Jarvis Christian College  
Paul Quinn College

Interested students at these schools should contact their campus Financial Aid office.
